## Westar Energy offers free Home Energy Savings Workshop

Topeka, Kan., Oct. 2, 2013 — Westar Energy will host a free Home Energy Savings workshop on Wednesday, Oct. 9 from 6 p.m. to 9 p.m. at the Marysville Community Building located at 209 North Eighth Street, Marysville.

This informative workshop will provide you with tools to help assess the energy efficiency of your home. In addition, you will have the opportunity to learn cost-effective steps that will help improve comfort and conserve energy.

The three-hour workshop will cover:

- Heating and cooling equipment
- Air sealing (insulation, windows and doors)
- Water heating
- Lighting
- Appliances

Come learn easy, low cost tips that you can apply immediately to help reduce your energy costs. Space is limited. You can register online at [WestarEnergy.com](http://WestarEnergy.com) or for more information, call Tammie Rhea at 316.261.6535.

Everyone who registers will be entered into a drawing for two \$100 gift certificates to a local home improvement store. Must be present to win.

Westar Energy, Inc. (NYSE: WR) is Kansas' largest electric utility. For more than a century, we have provided Kansans the safe, reliable electricity needed to power their businesses and homes. Every day our team of professionals takes on projects to generate and deliver electricity, protect the environment and provide excellent service to our nearly 700,000 customers. Westar has 7,200 MW of electric generation capacity fueled by coal, uranium, natural gas, wind and landfill gas. We are also a leader in electric transmission in Kansas. Our innovative customer service programs include mobile-enabled customer care, a smart meter pilot project and paving the way for electric vehicle adoption. Our employees live, volunteer and work in the communities we serve.
